His Highness the Maharaja of Mysore,
Law Department, Bangalore.

Dated Bangalore, the 21st September *1940*.

SIR,

I am directed to say that it has been pointed out by the Registrar of the High Court of Judicature at Rangoon that certain Courts in Indian States issue Commissions and not Letters of Request for the examination of witnesses in Burma, and the same irregularity committed by subordinate Courts in Burma is now being corrected by the High Court. They suggest that where the evidence of a witness residing in an Indian State is required, a Letter of Request should be issued by a Court in Burma, and the same procedure should be adopted by a Court in an Indian State which requires the evidence of a witness in Burma.

2. In the interests of uniformity I am to request such steps as are considered necessary may kindly be taken to secure that Courts in Mysore should issue Letters of Request and not Commissions when requiring the evidence of witnesses in Burma.
